11:00 DRIVE TO PICK MUSEUM

The Pick Museum is located inside of Cole Hall on NIU's main campus, a little more than 10 minutes from Egg Haven. Directions are located on the following page.

11:15-12:15 EXHIBIT TOUR

A curator led exhibit tour will last about one hour with plenty of time for questions. Quilts and Human Rights features 45 quilts from around the world including some by quilters you might know of!

11:15-1:15 TEXTILE STORAGE TOUR

Get special behind the scenes access by going on a small group tour of the Pick Museum's storage space! Only ten people per storage tour, so while you are waiting you can view the exhibit and take as many photos as you'd like!

1:30 GROUP PICTURE

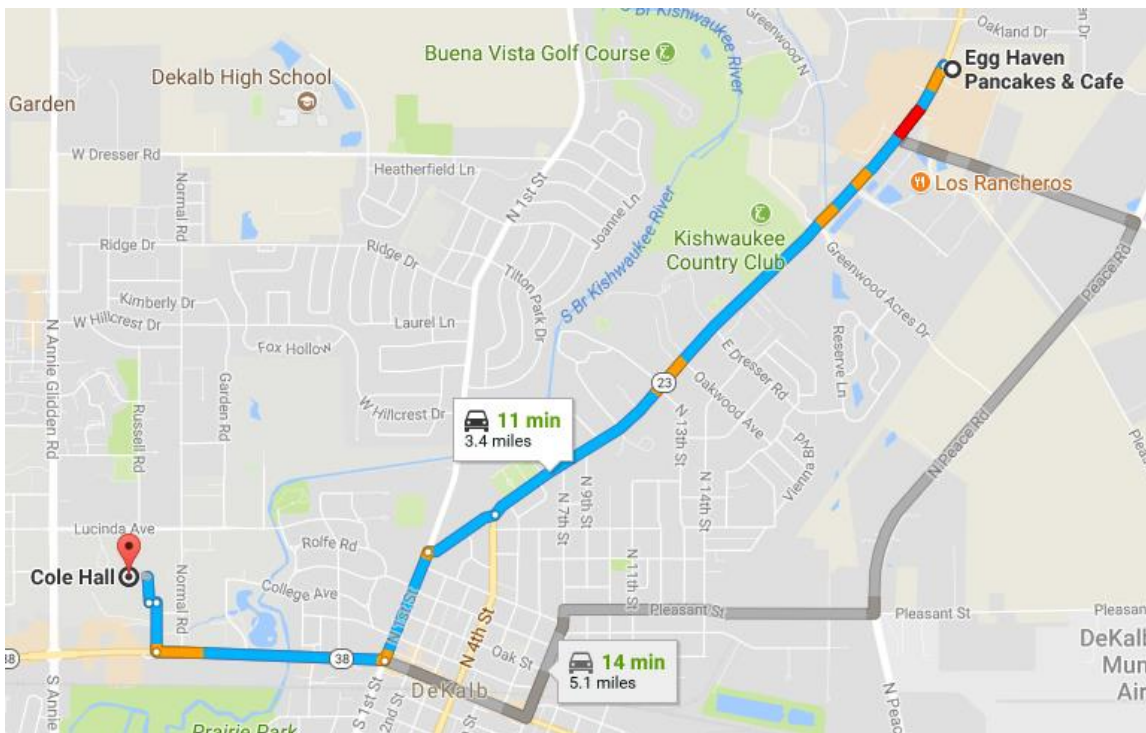

It's not every day that two amazing guilds get together! Let's make sure to get a group photo before we all head home. This end time is flexible depending on how long storage tours take.
